IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT

THAT:

Section 1. Chapter 20 of the 2019 Detroit City Code, Health, Article VI, Medical Marihuana Facilities, be renamed Medical Marihuana Facilities and Adult-Use Marihuana Establishments, and amended as follows:

CHAPTER 20. HEALTH

ARTICLE VI. MEDICAL MARIHUANA FACILITIES AND ADULT-USE MARIHUANA ESTABLISHMENTS

DIVISION 1. - GENERALLY

Sec. 20-6-1. Purpose.

(a) The purpose of this article is to establish standards and procedures for the issuance, renewal, suspension, and revocation of business licenses for medical marihuana facilities and adult-use marihuana establishments consistent with the Michigan Medical Marihuana Facilities Licensing Act, being MCL 333.27101, et seq., and the Michigan Regulation and Taxation of Marihuana Act, being MCL 333.27951, et seq., respectively, to:

(1) To provide qualifying patients access to medical marihuana, serve and protect the health, safety, and welfare of the general public through reasonable regulation of marihuana business operations including noise, odor, air and water quality, food safety and public safety;

(2) To ensure the safety of qualifying patients, primary caregivers, and the general public establish an application fee and a licensing fee for medical marihuana facilities and adult-use marihuana establishments to cover the City’s costs in administering this ordinance:
(3) To ensure that a portion of the City’s costs in accommodating medical marihuana facilities are supplemented—establish procedures for application, renewal, suspension, and revocation of a business license for medical marihuana facilities, and for adult-use marihuana establishments;

(4) To minimize adverse effects, if any, from the cultivation, processing, dispensing and storage of medical marihuana; and

(5) To comply with the Michigan Medical Marihuana Act, being MCL 333.26421 et seq., all in order to protect and enhance the public health, safety, and welfare adopt reasonable regulations as needed pursuant to the city’s general police power granted to cities by the Michigan Constitution of 1963 and the Home Rule City Act, being MCL 117.1 et seq.;

(6) recognize that social equity in the marihuana industry is required to address the historically disproportionate impact of marihuana prohibition and enforcement on Detroiters, and that the City of Detroit has been expressly named by the State of Michigan’s Social Equity Program as a community that has been disproportionately impacted by marijuana prohibition and enforcement;

(7) recognize that long term residents of the City of Detroit have historically been excluded from ownership opportunities in the legal marihuana industry due to the disproportionate impact of marihuana prohibition, enforcement, and the lack of access to capital, land, and resources; that more than 30% of Detroiters live below the federal poverty level; that Detroit has a marihuana-related criminal conviction rate that exceeds the average marihuana-related criminal conviction rate in the State of Michigan; and that long term Detroit residents have substantially contributed
to the economy in the form of taxes and fees to the extent that a reduction in
fees, and reservation of adult-use retailer, adult-use grower, adult-use processor,
designated consumption, marihuana event organizer, and microbusiness licenses
for long term Detroit residents under this article is appropriate as a form of social
equity:

(8) recognize that employment opportunities in the legal marihuana industry are
essential for Detroithers, and to strongly encourage and incentivize licensees under
this article to ensure that at least 50% of its employees are Detroit residents,
specifically those Detroit residents who are veterans, low income, or have a prior
controlled substance record, as such terms are defined in Section 20-6-2;

(9) facilitate real property ownership opportunities for Detroit residents, for the
purpose of operating adult-use marihuana establishments licensed under this
article; the City of Detroit shall use good faith efforts to transfer eligible City-
owned real property to one of the City’s economic development agencies or
authorities, for the specific purpose of transferring the property to Detroit legacy
applicants or licensees, as defined in Section 20-6-2, at 25% of the property’s fair
market value. Such a transfer would be subject to applicable approvals by the City
of Detroit and the economic development agency or authority board, and the
development and use of the transferred property would be subject to all
requirements of this Code and MRTMA; and to

(10) direct that at least 50% of the fees generated from the licenses issued pursuant to
this article, and any allocations to the City of Detroit pursuant to M.C.L. 333.27964
and M.C.L. 333.27602, shall be used to further social equity goals, including, but
not limited to, addressing the challenges set forth in Subsections (6), (7), (8), and
(9) of this section; and to

(11) clarify that licensure of either a medical marihuana facility or an adult-use
marihuana establishment is a revocable privilege and not a right in the City. There
is no property right for an individual or business to have a medical marihuana
facility business license or an adult-use marihuana establishment business license
in the City of Detroit.

(b) Nothing contained within this article, or within any license issued by the City, shall
be construed to relieve a person of the duties and obligations imposed under state law.
Notwithstanding the foregoing, it is not the intent of this article to diminish, abrogate or restrict
protections for the medical use of marihuana provided in the Michigan Medical Marihuana Act,
being MCL 333.26421 et seq. Nothing in this Article, or in any other provision of this Code, is
intended to grant, nor shall it be construed as granting, immunity from criminal prosecution for:

(1) The cultivation, sale, consumption, use, distribution, manufacture or possession of
marihuana in any form not in compliance with the MMMA, the MMFLA, and the
MRTMA, as applicable; or

(2) any criminal prosecutions under federal laws including seizure of property under
the Federal Controlled Substances Act, being 21 USC 801, et seq.

(c) Nothing contained within this Article, or within any license issued by the City,
shall be construed to relieve a person of the duties and obligations imposed under state or
federal law. Notwithstanding the foregoing, it is not the intent of this Article to diminish, abrogate
or restrict protections for the use of marihuana provided in the MMMA, the MMFLA, and the
MRTMA, as applicable.
(d) By accepting a license issued pursuant to this Article, the licensee waives and releases the City, its officers, elected officials, and employees from any liability for injuries, damages, or claim of any kind that results from any arrest or prosecution of owners, operators, clients or customers of medical marihuana facilities or adult use marihuana establishment for violation of local, state, or federal laws, rules or regulations.

(e) By accepting a license issued pursuant to this Article, the licensee agrees to indemnify, defend and hold harmless the City, its officers, elected officials, employees, and agents against all liability, claims or demands arising on account of any claim of diminution of property value arising out of the operation of a medical marihuana facility or an adult use marihuana establishment, or any claim based on an alleged injury to business or property by reason of a claimed violation of the federal Racketeer Influenced and Corrupt Organizations Act (RICO), being 18 USC 1961, et seq.
